Projects

Website updates

We are working on the w4rng.com site and welcome any suggestions you may have. Be sure to check it out here: <http://www.w4rng.com>

Join the forum and enjoy the website.

If you know anyone that would like to be added to the Squelch Tail mailer let Daniel / KF4EOK know at kf4eok@gmail.com

ARRL National Field Day

ARRL National Field Day is June 23rd and 24th. NOFARS and Duval ARES are sponsoring a big Field Day at Hogan Baptist Church, Parental Home & Hogan Rd. in Southside. Coordinator is Todd Lovelace, K1KVA.

New Business

ARRL's new Northern Florida Section Manager is Kevin Bess, KK4BFN. Kevin succeeds Steve Szabo, WB4OMM. Kevin's term of office starts July 1, and lasts two years.

RANGE WORK IN PROGRESS

We are working on the 146.760 machine and getting the remotes configured. We are also working on getting the 6 meter repeater back on the air. The D-Star repeater may be improved on and moved to the downtown area.
